OES EMAIL BLAST

Facilitator: Elaine Engelke at engelm@tds.net
.....

Golden Rule is having Star Point night on Thursday May 14. We will be having a young gentleman from DeMolay give us the Flower talk. I f you have never heard please be sure to come and enjoy. It is a beautiful piece and I am quite sure everyone will enjoy it.

Thanks
.....

New Address:

We have a new email address. It is:

mbnelson@mwt.net

Barb and Marlowe Nelson
.....

Bethel 44 would like to invite all Masonic Families to our Masonic meeting on May 31, 2009 at 4:00pm. Sun Prairie Masonic Lodge - 152 N. Bird St. - Sun Prairie, WI Refreshments following the meeting.

Thank you, Mom Debbie Breunig, Bethel Guardian and Starlite member.
.....

Thursday Luncheon:

One last reminder before Grand Chapter. Everyone is invited to the FAGO lunch – it is just a luncheon, not a business meeting. The FAGO lunch is NOT being held with the other Thursday lunch so you will not be with your FAGO friends if you attend that lunch.

If you are not sure which lunch you signed up for and want to be sure and be at the FAGO lunch, please contact me at engelm@tds.net and I will straighten it out.

Regards, Elaine
.....

Miriam, Platteville:

We will be having a Mother's Day potluck on Tuesday, May 12. The potluck is at 6 p.m. After the potluck, the Dubuque, Iowa DeMolay will do the flower talk for the mothers in attendance. Star members are bringing the potluck and the Mothers, their sons 12-21 and their families are our guests. Our regular meeting will follow at 7:30 p.m. If you would like to attend, please let Elaine know at engelm@tds.net or 608-523-4134 (we're providing the meat). Also if you are a mother (so we have enough flowers).

.....
Construction Alert for
Highway 172 in Green Bay

The WIS 172 Resurfacing Project (US 41 - I-43) is needed due to the pavement distress that has occurred.

The project is scheduled for 2008-2010 to ensure that maintenance needs on this highway are minimized during the US 41 construction, as WIS 172 will serve as a vital alternate route to alleviate traffic congestion on US 41.

The project repairs and resurfaces the existing roadway from US 41 to I-43, replaces the deck on the Fox River Bridge, replaces the bridges over Oneida Street, and rehabilitates nearly all bridges on the project.

This project means that the travel on WIS 172 will be smoother and function better when completed. The highway will be a vital alternate route during the US 41 construction.

Please click the link below for a map of the construction area and plan accordingly for traffic delays.
