

Fabulous Style Show

Good afternoon everyone!! I am (name), and it is my pleasure to welcome each of you to today's Fabulous Style Show and view the very latest in fashion. These fashions are indeed the hottest garments brought to you here in (your city) directly from the fashion centers of the world to ignite your taste in style. Several of today's models are fashion-conscience ladies from your own area! So sit back, relax and enjoy the show!!

Hot off the Paris runway is this striking pin stripe suit with gorgeous scooped neckline top modeled by (name). This little outfit will surely make her the hit of the business world. Notice the fine detailing in the suit.

Model wears a flour scoop on a string around her neck.

For those of you in the accounting world, we are showing a "must have" in this chic pencil-pleat skirt accented by a beautiful 14 karat necklace. This perfect ensemble will take you from the business world into that romantic evening. Our model is (name).

Model wears a belt from which strings are dangling tied to pencils. The necklace is made of 14 real arrots tied with string.

Here comes (name) in a perfect dress for any occasion. Notice how comfortable she is in her lovely slip-over dress accented with colorful balloon sleeves. Perfect for that PTA meeting.

Model wears a slip over a dress of a contrasting color. She has long thin balloons tied around her upper arms (balloons are the kind that are used to create animal sculptures).

At the next Eastern Star function, look for (name) kicking up her heels in her one-of-a-kind import from Italy, a gored skirt with a plunging neckline. Don't you think the plunging neckline adds a bit of mystique to the evening?

Model wears actual gourds dangling from a belt around the waist. The plunging neckline is a sink plunger hanging around her neck.

Here comes (name) in a very unique garment. She is sure to be the envy of toastmasters as she emcees her next event. If she gets nervous and her stomach is queasy, all she has to do is take a bite. It surely will help her nervous stomach.

Model wears slices of toasted bread.

(Name) is sure to stand out in the crowd at the next baseball game in her bell-bottoms accented by her casual top with cap sleeves. She's sure to make the cover of the next issue of Sports Illustrated.

Model wears bells tied to the bottom of her pants and baseball caps hanging over her shoulders to form sleeves.

Perfect for attending that very important Garden Party or Worthy Matron's Tea is this ensemble modeled by (name). Her A-line skirt is complimented by her Garden Party hat. Move over Tallulah Bankhead!!

Model wears a skirt with the letter "A" taped to the front. She also wears a hat overdone with various vegetables and flowers.

(Name) typifies the well-read woman in this striking print and her little pill-box hat. This is sure a hit on Wall Street!

Model wears a dress made from the Wall Street Journal and a hat made from a box of medication or a box with pill bottles dangling from it.

When shopping for the next formal ball, keep in mind this awesome cocktail dress modeled by (name). She won't be wasting time standing in line for a drink. She will be spending all of her time dancing, and will surely be the hit of the party.

Model wears plastic cocktail glasses all over her dress.

Picture yourself or your daughter in this breathtakingly beautiful wedding gown.

Doesn't it have an unusual train?!?! (Name) will be ready to hop on board to take off on an exciting honeymoon.

Model wears long dress with plastic train and cars attached to the bottom back of the dress so that they are pulled along behind the gown.

This concludes our fabulous style show. I hope you have all enjoyed yourselves and are now ready to rush right out and buy these wonderful new fashions!!!
