

Golden Year Members

Golden are the years, and golden, too the Stars
As we thank our Golden Year Members this day,
Each year of service is a golden star
That sparkles with beauty in each lovely ray.

You Golden Stars are a shining example
For through the years you have walked in the light,
You inspire us all to be faithful and true
And strengthen our courage to work for the right.

So it is with gratitude and with humility
May your light shine bright this day,
For you are beloved and dear to us all
And are truly living the Eastern Star Way.

Memories of more than fifty years
Hold a wealth of dreams come true
As hearts and hands of friends are joined
In this meeting today with you.

May blessed peace dwell in your hearts
And may the blessings you've given others
Circle back again to each of you
Through the love of your Sisters and Brothers.

You have been strong and of good courage
And carried our Star within your heart
As a jewel of love to treasure
And from its teachings never to part.
