IMPORTANT NOTE: Many ISPs and businesses mistakenly block e-mail newsletters as "spam" or junk mail. To ensure delivery of your newsletter, add engelm@tds.net to the Contacts List or Address Book in your e-mail program and also tell your internet provider to allow bcc from engelm@tds.net - thanks. If you are using a work e-mail address, notify your company's IT department. **ALSO...**When you change your email address ... please remember to let me know, too! I have a few of you with addresses which bounce ... don't know if your mailbox is full or if you have changed email addresses.
