Update on Marge:

Marge is doing very well and has been moved out of ICU into general care at St. Lukes, room L6425. She is doing great and has no residual effects from the aneurysm. Due to possible chances of a delayed spasm they will keep her at least another week, maybe a total of 21 days. We were told that she was extremely lucky to get treated as soon as she did as a third of these arrive DOA and another third get there too late to save.

Thank you for all the prayers and cards, she has gotten 77 cards to date and she really enjoys them.

Bruce Haubrich

Fac Note: Cards may be sent to Marge at 5015 Harrison Road, Kenosha 53142-3795
