All are invited:

The Madison Valley of Scottish Rite is hosting a FREE spaghetti dinner next Monday, Sept 14th, at 6:00 in the small dinning room at the Masonic Center downtown Madison. This event is open to anyone interested in knowing more about Scottish Rite Masonry, as well as a great time for members of other Masonic bodies, both men and women, to come together for fun and fellowship. The free dinner will be followed by a short play called "Additional Light" which will give an insight into what Scottish Rite Masonry is all about.

We're calling this Scottish Rite Family Night, and even if you're not a member of Scottish Rite, you are a member of our Masonic Family, and we would love to have you.

If you would like to join us, please let me know by e-mail, or calling the Valley office at 608-256-2351 and letting them know to add you to the guest list.

Thanks, Craig Froelich

Chapter Calendars:

We still have lots of chapters who have not added their 2009-2010 calendars to the web site calendar. There are two ways of doings this. Way One: Email or US Mail your

calendar to Bob Stauffer, Linda Schreier or Elaine Engelke and they will enter the dates/events.

Way Two: enter the dates and events yourself (they will not show up on the calendar until approved by the administrator(s) by following these easy steps:

1. Go to the web site, click on "calendar" link on left hand side. Enter the "Calendar New Interactive" section of web.
2. The second drop down on the top is "Events". Click on Events, choose "Add New Event."
3. "Brief description" is recommended to be your chapter name and number. "Full description" is recommended to be a description of the event including names of visitors, dress requirements, times of meals, etc. Meeting time can be added here or below in the "untimed event" cell. Also add location here location if NOT Masonic center.
4. "Location" should be chapter city or city (if NOT Masonic Center) where event will be held.
5. BE SURE and change the "Date" field to the date of the meeting, especially the year for 2010 events.
6. If you want event to appear on both the public access (ALL types of events) calendar and the chapter events only calendar, click on "Category" cell on the right side of the screen. A popup window will appear. Click on "Chapter Calendars" in the left hand box and then click on the arrow in the middle. After "chapter calendars" appears in the right hand "events" box, click the OK button directly below on the right. (If you forget this step, your event will only show on the public version with all types of events – which is certainly ok. Public All is the default calendar).
7. After ALL of these steps are completed, Click on the SAVE button on the very bottom of the event entry screen. REPEAT ALL steps for each date of your calendar.
8. Notify Bob, Linda or Elaine you have added your calendar items or simply wait a few days for the administrator to notice the unapproved entries and approve them. Any changes? Notify Bob, Linda or Elaine.

Anyone from your chapter can enter events. The main items when proofing your entry are the chapter name and number, the building (Masonic Center or other location with address), interesting or necessary information about the meeting, the time, the date and the location (city).

Any questions? Bob, Linda or Elaine
