**OES EMAIL BLAST**

Facilitator: Elaine Engelke at [engelm@tds.net](mailto:engelm@tds.net)

Cheer:

PGM Evelyn Menke had hip replacement surgery on Monday June 7th. They got her up and moving already today. Everything went as it should have, she is scheduled to come home from the hospital on Thursday. She will be recovering for a few weeks before she can get back out on the road with Rosie. She hates to miss the June installations, but wanted to be ready for the rest of the year. Her home address is 127 Stoney Ridge Rd, Ripon WI 54971.

Maria Thompson of Frederic Chapter is recovering from a stroke. I am sure she would appreciate hearing from her OES Sisters and Brothers. At this time she is in the Spooner hospital but will be transferred to a rehab facility soon so best to send any correspondence to her home.

Home address is W4470 Friday St., Springbrook, WI 54875

Former Appointed Grand Officers:

WGM Rosie and WGP George have asked FAGO Association to work on two projects. The first is a booklet arranged by areas of the state that list the talents, skills, interests, hobbies, etc. of members who would be able to share at chapter meetings for a program or event. WGM Rosie would also like to know members who play the organ or piano and would like to help out other chapters on occasion.

The second project would be working on a membership program done in Powerpoint (or other mediums).

If you are interested in helping with either or these projects, please contact President Jane Blackwood at [stormkat@sbcglobal.net](mailto:stormkat@sbcglobal.net) or 608.362.8435, or Elaine.

When we did the survey several years ago, many indicated they would like FAGO Association to have a purpose. Here is your chance to step forward. We would like to report back to Rosie and George that both these projects are underway.

From Safari Notes, South Carolina's e-newsletter, editor Kathy Gerner, PGM

Please keep *Louisiana's WGM, Sister Myra Ramsey*, in all of your prayers. She is battling cancer and is undergoing some very aggressive chemo. But she is a fighter and a trooper and is continuing on with her obligations.
